

Publication Report

Aviorify

Thanks for your order. In this report you can find a full list of all the news sites where your article was published, as well as your Trust Badge. For the best results we recommend at least one order per month.

Publications

Below are live links to all of your publications. Most news sites will host your article for up to two years, but some, such as Market Watch and Ask.com, may remove your article after a few months to keep their sites fresh. For the best SEO results, we recommend at least one order per month.

Google may index some of these articles by the time you receive your report, but it can take time to index all of them. Google may show some of these articles when searching for your name, brand name, or other search terms. But since that is up to Google's Algorithms, it's not something we guarantee.
